

PRODUCT INFORMATION

Product Code: Chem/Degreaser/001/010/L7
Universal Degreaser L- 7

WHAT IS L- 7?

L- 7 is an extremely effective, heavy duty degreaser and cleaning agent, that is fully biodegradable, and works equally well on vegetable, animal or mineral oils, fats, sooty deposits, inks and carbon.

It actually breaks down the molecular structure of any oil, grease or fat, destroying the binding that is the heart of most stubborn clean-up problems. It also emulsifies carbon black and soot.

INDUSTRIES REQUIRING L 7

L- 7 is intended for **large-scale, heavy-duty clean-ups**. L-7 is so versatile, that its potential application is almost limitless: -

CHEMICAL INDUSTRY: removal of carbon black, soot, oils, greases, etc

CLEANING of ventilating hoods, kitchen furniture, ovens, floors, nicotine-stained places

PETROLEUM INDUSTRY APPLICATIONS, like pumping and processing equipment, paraffin removal, injection well treatment, engine rooms and oil-saturated concrete...

AUTOMOTIVE AND METAL INDUSTRY APPLICATIONS and pre-paint preparations, which leave odours...

MARINE APPLICATIONS like bilges and fiberglass hulls... The ability to suppress gas and oil fires, exhaust stacks, coal dust and greasy soot.

MAJOR CHEMICAL AND OIL SPILLS

DESCRIPTION AND DIRECTION FOR USE

Dilution – 1 – 5 for heavy application
1 – 10 for light application

Handling: Use gloves and safety glasses while carrying out cleaning work.

L-7 is safe and effective on almost any material, including stone and masonry, metal plastics and even textiles.

EMERGENCY ACTION

Skin contact: Wash off with plenty of water.

Eye contact: Flush out with plenty of water for at least 15 minutes.

Ingestion: Drink plenty of water and seek medical attention. Do NOT try to induce vomiting.

Inhalation: Apply in area of adequate ventilation.

KEEP OUT OF REACH OF CHILDREN.

WHAT ARE THE SPECIAL BENEFITS OF USING UNIVERSAL DEGREASER L-7

- Fully bio-degradable
- Water –based
- Non-toxic
- Leaves no residues
- No halogenated solvents
- No noxious odours
- No volatile vapors
- Non-flammable
- Non-caustic

L- 7 AND THE ENVIRONMENT

L- 7 is safe for the environment, for personnel and operational facilities as well.

L 7 is water-soluble, so it is a snap to clean up. In breaking down the molecular structure of grease and oil, it produces a dilute, non-toxic and readily biodegradable solution. that can be rinsed away with plain water and disposed of, leaving no residues.

L --7 has no volatiles vapors and virtually no odour. Since it has no flash point and is non-combustible, it is perfect for enclosed area applications, so safe storage is never a problem. Besides L- 7 has no phosphates, chlorinated solvents, butyl or halogens.

WHAT IS THE PRICE?

As L- 7 is **developed** and **blended** in Malaysia, we are able to pass the savings in developing this product to our clients/customers.

PURCHASING INFORMATION

Packing: Available in 210 liter and 20 liter poly – containers

The Material Safety Data Sheet (MSDS) for L- 7 is available on written request.
